CLERK

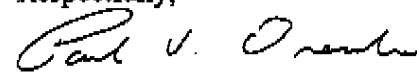

Dear Judge Bongiovanni:

With the consent of all appropriate parties, at this time it is requested that the Dismissal Order entered on June 12, 2008 be extended for an additional forty-five days (45). Please be advised that the parties have come to an agreement on how to resolve this matter, which entails the hiring of a third party to review the policies of the Ocean County Correctional Facility as it relates to the Medical Unit and to determine whether those policies are being implemented properly.

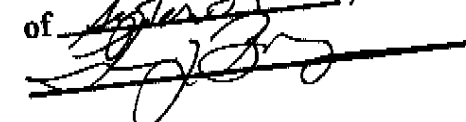

The issue in executing this settlement agreement is that we have had some difficulty in finding a third party to conduct the aforementioned review. Plaintiff has recommended an expert in this field who is willing to conduct the investigation of the Ocean County Correctional Facility. However, due to the nature of the Defendant being a county organization we need more time to get the county's approval on this matter. The Honorable Joel Rosen, J.S.C., is still actively participating in bringing this matter to a resolution.

I thank you for assistance in this matter and I am awaiting your reply.

Respectfully,

PAUL V. ORECCHIA
